## ***ARRIVAL AND DISMISSAL GUIDELINES***

We strongly encourage all students who have been assigned a bus pass to ride the bus. Most bus rides are short in duration, and student behavior on the bus is monitored and addressed.

### **Morning Drop-Off Procedures:**

We do not allow cars to park in the front parking lot during morning drop-off (8:30 – 9:00 a.m.). All cars proceed to the back parking lot where a drop-off “circle” forms. Please drive to the back parking lot, **follow the arrows**, and drive around **in one drop-off line**, stopping at the stop sign. Once you pull up to the coned-off area, child(ren) can exit the car. Please note that this is a “drop and go” situation – parents are asked **not** to get out of the car. If your child is unable to get out of the car by himself/herself, please park in a parking spot and walk your child across the parking lot to the back door. A teacher will be on duty at the back door to let in the children. **Only students who ride the school bus are to be dropped off in the front of the school.**

**Morning preschool parents** are not a part of the drop-off line. Please park in any available parking spot and walk your child(ren) to the back door by the cafeteria using the paved walkway that is between the school and the storage sheds. The preschool teacher will get the children and walk them to class at 9:00 a.m. **When leaving, please pull into the line of cars – do not form another exit line.** Afternoon preschool students are dropped off on the front/side of the school by the small playground.

**Parents who need to come in to the school** are asked to park in any available parking spot and walk to the front door, where you will ring the doorbell to enter the building.

**For students who arrive late to school** (after 9 a.m.), parents, please park in an available parking spot and walk your child(ren) to the front door and then in to the Main Office to sign in.

**Afternoon Pick-Up Procedures:**

All walkers/pick-up students will be dismissed from the door located in the fourth grade wing. If you are picking up your child, you are asked to park in a marked parking space in the **back** parking lot (**PLEASE PAY ATTENTION TO ALL DIRECTIONAL ARROWS**) and wait for your child on the macadam outside of the fourth grade wing. **No cars are allowed to park along the yellow curbs leading to the back parking lot or in the back parking lot.** Students will only be dismissed out of the fourth grade door when a parent/guardian is present. All bus students will exit from the main front door.

**Afternoon preschool parents who pick up children are not to park on either side of Rip Van Winkle Way (the yellow curbing in front of the school where the buses pull up and the yellow curbing on the side closest to the electronic sign).**

**Early Pick-Up Procedures:**

**Early pick-up is discouraged and should be requested in emergency situations only.** In such cases, a note from the parent/guardian is required and must be presented to the classroom teacher at the beginning of the school day. Students shall not be permitted to leave school early unless they are picked up in the school office by a parent/guardian or a person authorized by the parent/guardian to act on his/her behalf. For safety reasons, proper identification is necessary and no exceptions will be made. Children will not be released to any individual without a note or to someone who is not listed on the student's emergency demographic page.

***ASSESSMENT SCHEDULE***

Grade 2: Otis Lennon Test of School Ability – April, 2019

Grades 3 and 4: PARCC testing window – April – May, 2019

Incoming Kindergarten students: Kindergarten Screening – May, 2019

***ATTENDANCE/LATENESS***

Consistent and punctual attendance is mandated by the State of New Jersey and is essential for the steady progress of children throughout their school lives. All students are required to be in their homerooms no later than 9:00 a.m. Students who arrive after 9:00 a.m. must report to the Main Office with a parent/guardian or provide a written note of explanation.

***Students who are absent may not attend school functions that day/evening. A student must participate in four hours of instruction to be considered present.***

**Absences:**

Parents/guardians are required to call Mrs. Cifelli, the school nurse, by 9:00 a.m. to report absences. Mrs. Cifelli can be reached at 973-696-5530, ext. 303. When calling, please state the reason for and anticipated length of your child's absence. Mrs. Cifelli will contact parents who fail to report an absence. This practice allows us to account for every student under our supervision. Please note that upon his/her return to school, a note is required from a parent/guardian documenting the reason for the student's absence. This note does not excuse the absence; it only serves to acknowledge that the parent/guardian was aware of the absence.

### **Chronic Absenteeism and Tardiness:**

The Board of Education, Superintendent, and staff recognize the importance of daily, punctual attendance to a student's academic success. We also recognize that parents/guardians must be an integral part of our efforts, and the proposed procedures include parent/guardian involvement at each step.

Please be advised that three (3) instances of unexcused tardiness equal one (1) unexcused absence for the purpose of calculating yearly absences.

Regular communication with parents/guardians regarding student absences/tardies is critical. The chart below relates to cumulative unexcused absences and outlines the procedures for same (Board Policy 5113):

<b>Number of Absences/Tardies</b>	<b>Procedure</b>
Each day of absence	A call home from Mrs. Cifelli to inquire as to the reason for the absence if it was not stated in a call from the parent or if no call was received.
1 – 4	Investigation into the absences.
5 – 9	Letter from the office and investigation; possible meeting with the parent, child, and guidance counselor, during which an action plan may be developed. Written documentation will follow the meeting.
10 or more	Meeting with the parent, child, and guidance counselor; written documentation will follow the meeting; action plan; possible referral to the court program required by the NJ Administrative Office of Courts; and procedures in accordance with N.J.S.A. 18A:38-28 through 31, Article 3B, Compelling Attendance at School

### **Action Plan:**

An action plan may consist of strategies to be implemented at home to improve attendance and/or consequences. Consequences apply primarily to a tardy situation and will be determined based on the age of the child and the situation, but they may include lunch/recess detention, afterschool detention, being denied participation in class trips or school events, or, in extreme cases, retention.

### **Make-up Work:**

If a student is absent, a parent/guardian may request make-up work/homework to be sent home. If requesting work for your child, please contact the Main Office ***before 10 a.m.*** Requesting work later in the day will not allow your child's teacher ample time to prepare assignments, and, therefore, work will not be provided. Requested work can be picked up from the security bin outside of the school between 3:00 p.m. and 4:15 p.m.

Children who are absent for any reason must make up assignments, class work, and tests within a reasonable amount of time. A reasonable amount of time is considered to be within the same number of days missed. For example, if your child is absent for two days, s/he will have two days to make up his/her work.

### **Vacations during School:**

Parents/guardians are asked to avoid family vacations during the school year. If a family vacation cannot be avoided, parents/guardians are required to submit a letter to Mrs. Bammer indicating the

reason for and length of the absence before the vacation occurs. Vacation days are not excused absences.

Teachers may provide a list of topics that will be covered during the absence but **will not** provide specific, detailed work. It is not practical to provide detailed work assignments in the absence of instruction. Students are required to make up all tests and quizzes within two (2) weeks of their return to school.

### ***CELL PHONES AND ELECTRONIC DEVICES***

Students are not permitted to bring personal electronic devices such as iPods, iPads, music players, electronic games, “smart watches,” etc. to school.

Cell phones, while discouraged, can be brought to school but cannot be used at any time during the school day, during school-sponsored activities, or on the school bus. Cell phones are to be kept in a student’s backpack, turned off, from the time s/he boards the school bus or enters the building to the time s/he exits the bus at his/her bus stop or is in the presence of a parent in the afternoon. Students who need to use the phone during the instructional day may ask Mrs. Bammer or Mrs. Ficker to call from the Main Office.

If a student has out or uses an electronic device during the instructional day, it will be confiscated and brought to Mrs. Bammer. For a first offense, Mrs. Bammer will hold the item until the end of the day and will return said item to the student. For a second offense, Mrs. Bammer will hold the item until a parent/guardian can come to school to pick up the item. Subsequent offenses will result in the item being held in the office for a longer period of time.

The Lincoln Park School District is not responsible for lost or stolen cell phones, electronic devices, or other personal items students choose to bring to school. Smart watches are considered personal electronic devices and are not to be used or worn in school.

### ***COMPUTER AND INTERNET USE POLICY***

Students will not be allowed to use the computer network and Internet without a consent form signed by both the student and his/her parent/guardian. For more information about this policy, please refer to the Lincoln Park Board of Education’s Policy on Acceptable Technology Use (Policy 6142.10) located on the District website.

As good digital citizens, students should be respectful, kind, and honest; talk to their teacher and parent as soon as they see, feel, or experience something that is not “right” on the Internet; use strong passwords; make sure teachers and parents have their passwords; remember that not everyone is who s/he says s/he is on the Internet; and use primary sources. Additionally, students should not share personal information online, open unexpected messages or unfamiliar attachments, agree to meet people who approach them online, plagiarize or cheat, or harass others through email or other means.

### ***CONFERENCES***

The most expeditious method to resolving an issue related to your child’s schooling is to contact his/her teacher. Teachers are the first line of response to resolve school-related issues. If an issue remains unresolved, Mrs. Bammer should be contacted.

Parent-Teacher Conferences will be held in November. Please refer to the District calendar for the dates of conferences.

## ***DEPARTMENT OF CHILDREN AND FAMILIES***

N.J.A.C. 9:6-8.10 places the responsibility of reporting suspected cases of child abuse or neglect on District faculty and staff. As such, District personnel will contact the Department of Children and Families (formerly known as DYFS) to report suspected cases of abuse or neglect. To report a suspected case of child abuse or neglect, please dial 1-877-NJABUSE.

## ***DISCIPLINE/CODE OF CONDUCT***

Board Policy 5131, Conduct and Discipline, is located on the District website. The regulation defines the behavioral expectations held for each student who attends the Lincoln Park Elementary School and is reviewed annually by the administration and Board of Education. The expectations have been developed through dialogue with parents, teachers, and students. The Code of Conduct provides objectives/rules for the school, classroom, cafeteria, playground (recess), and bus, and includes rewards, supports, and consequences for students. The expectations are founded in the concept of respect for self and others. The effectiveness of the Code of Conduct is directly related to the support and cooperation of parents/guardians. In situations where disciplinary action is necessary, parental/guardian support, including attending scheduled meetings, picking up students from detention, etc., is anticipated. This support enables us to work more directly with the students in the school environment.

### Code of Conduct:

*I will do my best work.*

*I will care for school property.*

*I will respect others.*

*I will treat others fairly.*

*I will not hurt anyone on the inside or outside.*

The Lincoln Park School District Board of Education, Administration, and faculty believe that every student deserves to be safe while in school. The safety and security of all children, including their emotional and physical well-being, is paramount. Every student deserves to learn without interference from or fear of others.

As part of the school's overall philosophy, the staff subscribes to the premise that each person has the ability to choose his/her own behavior. Each student is taught that s/he must act responsibly and be responsible for this behavior. There are times when inappropriate behavior does occur. In those circumstances, the student is held responsible for both the behavior and its consequence(s).

Discipline is designed to reinforce the positive behaviors we expect from all students. Discipline alone is not intended to change behaviors. Behaviors change when the student, parent/guardian, and school work cooperatively to reinforce and encourage proper/acceptable behavior.

Students make mistakes. Outlining our rules and regulations will guide children in the appropriate direction. Our hope is that students learn to behave more positively and live more productively when given appropriate guidance, direction, and consistency.

Any parent/guardian who questions the application of a consequence may request to discuss the matter with the teacher. If the situation warrants continued discussion, a parent may request a meeting with Mrs. Bammer. Finally, should the matter warrant further discussion, a parent may request a meeting with Mr. Grube, the Superintendent.

### **School Bus Rules:**

Please see the Transportation section for our rules pertaining to the school bus.

### **Consequences:**

The behavioral interventions and consequences we employ are intended to be supportive, positive, and educational. As such, as all children are different, consequences will take into account the child's age, disability, and/or cognitive/educational level.

Depending on the offense, consequences can include: verbal warnings, conferences with the school counselor, referral to the principal, loss of privileges (recess, extracurricular activities, field trips, etc.), detentions, parent contact, and suspension.

During lunch and recess, students who do not follow the rules, or who are unsafe or disrespectful, will be brought to the Main Office and likely will not participate in recess. The following consequences will be utilized: warnings, time progressive time outs, loss of recess privileges, and referral to Mrs. Bammer.

### ***EMERGENCY CLOSINGS/DELAYED OPENINGS/EARLY DISMISSALS***

The Superintendent may be required to close school, delay the opening of school, or release students early in the interest of student safety because of extreme weather conditions, the failure of building systems, or additional unexpected emergencies. The District will use its emergency calling system to place a phone call to the parent/guardian of each of our students. It is imperative that parents/guardians provide the school with an updated phone number so the call can be received. Emergency information will also be posted online at [www.cancellations.com](http://www.cancellations.com), and will be broadcast on television on News12 New Jersey, Fox 5, and WNBC (channel 4). Please do not contact the Lincoln Park Police Department.

### ***FIELD TRIPS***

Field trips are scheduled at the discretion of classroom teachers, the principal, and the Board of Education and serve to enhance the academic program of our school. All school rules are in effect on field trips. Therefore, no cell phones or other electronic devices are to be brought on trips. Students may be excluded from a trip due to inappropriate behavioral choices.

Teachers will contact parents/guardians to chaperone field trips as needed. Chaperones will be asked to cover the cost of admission.

#### **Chaperones must follow the following guidelines:**

- Remain with the students assigned to you at all times and help enforce our school rules and expectations.
- When on the bus, sit near the students assigned to you and actively supervise them. Make sure seat belts are worn.
- Do not purchase food, snacks, or souvenirs for students. If a student should need money for something on the trip, please refer him/her to his/her classroom teacher.
- Count your assigned students when arriving and leaving destinations and throughout the trip.
- Follow the instructions given by the teachers in charge of the trip.
- Make sure that your group remains in the assigned activity or area.
- Tell the classroom teacher if any problems or questions arise.
- Accompany students back to school for sign-out (students may not be taken directly from field trip locations).

**Please note that siblings may not accompany a parent chaperone on a trip. Parent chaperones must take school transportation and cannot drive in a separate vehicle.**

## ***FOOD ALLERGIES***

Since students with food allergies can have an allergic reaction even without eating a certain food product, it is imperative that faculty members, staff members, and parents comply with District food allergy guidelines. Life threatening reactions can occur from smelling or inadvertently touching an item, which was touched by another student who consumed an allergic food. To prevent the accidental contact with allergic products in the classrooms, the following food allergy guidelines will be followed:

### **Food Allergy Guidelines:**

1. Party food items must include a list of ingredients and be approved before the party by Mrs. Cifelli or the classroom teacher.
2. Party foods containing allergens or that do not list ingredients will be returned to parents.
3. Mrs. Bammer will determine whether an allergy free area will be maintained in each classroom during parties.
4. Teachers are required to contact the parents of students with food allergies prior to a party taking place.
5. Mrs. Cifelli will notify teachers and send home letters in the beginning of the school year identifying allergens in each classroom.

## ***FORBIDDEN ITEMS***

Students may not possess items or substances that are disruptive to the learning environment in school or on the bus. These items include, but are not limited to, electronic devices, water pistols, slingshots, sharp objects, trading cards, laser pointers, handheld games, perfumes/body sprays, toy guns, and fidget spinners/cubes. Additionally, possession of anything deemed to be a weapon, tobacco product, drug, alcohol, or sexually explicit material will result in confiscation, parent/guardian contact, police notification, and disciplinary action.

## ***GENESIS GRADING SYSTEM***

The Genesis Parent Portal allows parents 24/7 access to their child's grades. Each parent has his/her own account with a unique user name and password. For parents with multiple children, your Genesis home page will have links for all of your children. To log on to Genesis, click on the "Genesis Parent Portal" link on the LPES webpage. If you require account access, please contact Mrs. Bammer.

Report cards for students in grades K through 4 shall be issued quarterly. Report cards indicate the grade achieved in each subject area for a particular marking period and become part of each student's academic record. Please refer to the District calendar on our website for the dates when report cards will be available via Genesis.

## ***GUIDANCE DEPARTMENT***

Mrs. Heftler, our school counselor attempts to help students understand themselves and others, make the most of their capabilities, adjust to various situations in their environment, and develop the ability to make decisions and solve problems wisely and independently. Parents interested in conferring with Mrs. Heftler should feel free to call or email at any time for an appointment or phone conference.

## ***HARASSMENT, INTIMIDATION, AND BULLYING***

Harassment, intimidation, or bullying (HIB) means any gesture, any written, verbal or physical act, or any electronic communication, whether it be a single incident or a series of incidents, that is reasonably perceived as being motivated either by any actual or perceived characteristics such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity, and expression, or a mental, physical or sensory disability, or by another distinguishing characteristic, that takes place on school property, at any school-sponsored function, on a school bus, or off school grounds as provided for in section 16 of P.L. 2010, Chapter 122, that substantially disrupts or interferes with the orderly operation of the school or the rights of other students and that:

- a) a reasonable person should know, under the circumstances, will have the effect of physically or emotionally harming a student or damaging the student's property or placing a student in reasonable fear of physical or emotional harm to his person or damage to his property;
- b) has the effect of insulting or demeaning any student or group of students; or
- c) creates a hostile educational environment for the student by interfering with a student's education or by severely or pervasively causing physical or emotional harm to the student.

It includes the use of physical force, hurtful teasing, threats, insults, intimidation, deliberate exclusion, and put-downs. Any incidents should be reported by victims and/or witnesses to teachers, counselors, or Mrs. Bammer as soon as possible.

Lincoln Park Elementary School strives to provide an environment where students feel free of any type of HIB. Verbal, physical, or sexual harassment of staff or students will not be tolerated and will result in disciplinary action.

The Anti-Bullying Coordinator for the District is the Director of Special Services, Mrs. Wendy Billig. She can be reached at 973-696-9150.

The Anti-Bullying Specialist for LPES is Mrs. J. Heftler, School Counselor. She can be reached by calling 973-696-5530. The Anti-Bullying Specialist also co-chairs the School Safety Team, which meets at least twice each year to review and strengthen school climate, to identify and address patterns of HIB, and to provide training for the prevention of HIB.

All reported incidents of HIB will be investigated in a timely manner, according to District Policy 5512. This policy can be viewed by visiting the District's website, [www.lincolnparkboe.org](http://www.lincolnparkboe.org), and following the link for the HIB policy.

The sooner the school is made aware of an issue, the sooner it can be addressed and resolved.

## ***HEALTH SERVICES***

Mrs. Cifelli is available to conduct health screenings, administer medication as permitted, record health and accident information, and monitor the health and well-being of schoolchildren. It is imperative that parents/guardians and Mrs. Cifelli work together to promote the health and safety of our students.

### **Administration of Medication:**

The Nursing Practices Act of New Jersey prohibits nurses from giving prescription or over-the-counter medication without a doctor's order. Parents/guardians are required to submit information and medication as indicated below:

- Doctor's Order on file,
- Administration of Medication form on file, and
- Parent/guardian must deliver medication to Mrs. Cifelli in the original container.

**Parents/guardians must pick up all medication on or before the last day of school from Mrs. Cifelli.**

### **Contagious Illness Guidelines:**

The following guidelines were approved by the school physician with the intent to provide information relative to students returning to school following illness. A note from a medical doctor indicating that a child is able to return to school is required in certain situations. Mrs. Cifelli will notify parents/guardians if such a note is required. **A student must be fever-free and/or "vomit free" (without medical intervention) for 24 hours from the time s/he is diagnosed or 24 hours from the time the student was sent home on the previous day in order to return to school.**

- **Chicken Pox** – Students must be fever-free (<100<sup>0</sup>) for 24 hours, and blisters must be crusted over.
- **Common Cold** – Students must be fever-free (<100<sup>0</sup>) for 24 hours, be able to function in the classroom, and nasal discharge must be clear.

- **Impetigo** – 24 hours after the start of treatment, and the affected area must be covered.
- **Lice** – After lice treatment with no presence of nits (eggs) or live lice.
- **Ringworm** – After the start of treatment, and lesions must be covered.
- **Scabies** – 24 hours after the start of treatment.
- **Strep Throat** – 24 hours after the start of treatment.

### **Lice Guidelines:**

Upon receiving a report that a child has or may have lice, Mrs. Cifelli will check that child's hair. If the child is found to have lice, Mrs. Cifelli will then check the hair of each child in that homeroom. If the child has siblings, they will also be checked. After completing the necessary head checks, Mrs. Cifelli will contact the affected child(ren)'s parents/guardians and inform the main office.

### **State Mandated Yearly Screenings:**

Students in pre-kindergarten through grade 4 undergo annual state height and weight screenings conducted by school nurses. In addition to height and weight, school nurses conduct additional screenings as indicated below:

pre-K, kindergarten, and grade 2: vision, hearing, blood pressure

grades 1 and 3:

hearing, blood pressure

grade 4:

vision, blood pressure

Boards of Education are required to conduct biennial scoliosis examinations on every pupil between the ages of 10 and 18 in accordance with standards jointly established and promulgated by the Departments of Health and Education. School nurses shall conduct scoliosis examinations and notify parents/guardians of any pupil suspected of having scoliosis.

Any pupil shall be exempt from the examination upon receipt of a written request from his/her parent/guardian.

## ***HOMEWORK***

The Lincoln Park Board of Education believes that homework has a positive influence on learning and achievement. It is an integral part of, and has significance in, the educational experiences of our students. Homework is defined as the work that students complete independently outside of school. Failure to complete homework may result in the lowering of a course grade.

Homework serves the following purposes: to provide drill or practice on a concept or skill already taught, to provide real life application of material studied in class, to develop appreciation for or knowledge of resources, and to develop the personal esthetic and/or cultural growth of the student. Homework is neither punitive nor “busy work.”

Time allotments for homework are gradually increased in grades K – 8. It is impossible to provide a precise daily time allotment since children work at varying rates. The following guidelines are based on the average pupil and work toward the maximum time allotment by mid-year.

Kindergarten: at the discretion of the teacher

Grade 1: 10 – 20 minutes daily

Grade 2: 15 – 25 minutes daily

Grade 3: 20 – 30 minutes daily

Grade 4: 25 – 35 minutes daily

## ***INSURANCE***

At the beginning of each academic year, parents/guardians are given the opportunity to purchase insurance covering any accidental injury to their children on school property, while traveling to and from school, or while on a school-sponsored trip.

## ***LOST AND FOUND***

Lost and found articles are placed on the lost and found table in the lobby. Parents/guardians are encouraged to check the lost and found on a regular basis. Articles will be displayed throughout the year. Unclaimed articles will be donated to charitable organizations.

## ***MISSION STATEMENTS***

The Lincoln Park School District will provide, through its schools, an educational setting that helps children to love and master learning, to work independently as well as collaboratively, and to develop the character and values that promote a healthy society. It is the School District’s

expectation that all students will achieve the New Jersey Core Curriculum Content Standards and Common Core Standards at all grade levels.

The Lincoln Park Elementary School will inspire and empower its children with opportunities that positively shape their lives and help them to become successful, life-long learners who possess the critical thinking, academic, and leadership skills required for the 21st Century.

### ***MONEY AND VALUABLES***

Excess money and valuables are discouraged on school property. Parents/guardians will be notified when money is required for special events. Students are responsible for all personal possessions.

### ***NEW JERSEY YOUTH HELPLINE***

The New Jersey Youth Helpline, 2NDFLOOR, is a toll-free, anonymous, and confidential helpline available 24 hours a day, 7 days a week, 365 days a year to all New Jersey young people, ages 10 to 24. Youth can call 2NDFLOOR at 1-888-222-2228 to speak with professionals and trained volunteers who listen attentively, non-judgmentally, and compassionately to issues and problems they are facing. Visit [www.2NDFLOOR.org](http://www.2NDFLOOR.org) for more information.

### ***PARENT-TEACHER ORGANIZATION (PTO)***

The PTO is comprised of parents, teachers, and staff who seek to provide personal, educational, and cultural enrichment for all students. The PTO acquires the revenue for various assembly programs, bussing for field trips, recreational activities, and additional special school needs via fundraisers that are scheduled throughout the school year. Your involvement in the PTO and support of its programs is necessary for the continued success of the organization. Please get involved!

### ***PARTIES***

#### **Class parties:**

Classroom teachers, in collaboration with room parents, schedule class parties. Room parents identify parents to assist as party helpers for each scheduled party. **Parents may not bring younger siblings to classroom parties or be room parents for more than one classroom.** Questions concerning room parents should be directed to Mrs. Bammer.

#### **Birthdays:**

Parents/guardians may celebrate their child's birthday by sending in a small, edible treat. ***Please do not send in whole cakes, "cupcake cakes," and/or half gallons of ice cream, as cutting, separating, and scooping in the classroom is difficult.*** Treats are to be dropped off in the Main Office or security bins; parents/guardians are not to bring the item to their child's classroom and are not a part of the classroom birthday acknowledgement. **Also, no balloons, candy, snacks, or goodie bags will be allowed.** Birthday treats are generally served during classroom snack time.

**Parents/guardians should notify the teacher that a birthday treat will be coming in to the school at least one week in advance.**

***Please note that if the ingredients are not listed or if the item you have brought in does not meet our guidelines, the teacher and Office have the right to not pass out the item.***

If you are having an outside event for your child, please note that homeroom teachers will only distribute invitations addressed to the entire class or to one specific gender of students. We will not distribute invitations addressed otherwise.

### ***PETS***

No dogs, cats, or other domesticated animals are allowed on school property when children are present. As such, family animals of any kind are prohibited without the approval of Mrs. Bammer or the Superintendent.

### ***PHOTOGRAPHING/VIDEOTAPING***

Periodically during the school year, school activities, assembly programs, and/or special events are videotaped or photographed for educational or publicity purposes. If you **do not** want your child photographed, please mark that option on the proper form, or send a letter to Mrs. Bammer during the first full week of school.

iPads provided by the school have the ability to take photographs, and the camera app has many educationally sound applications. Students must obtain permission from other students or staff members prior to taking a photograph of them. This applies to individuals or small groups of students, not to large gatherings or crowds. Any student who has photographs of another student or staff member on an iPad or other electronic device without the photographed person's permission may be subject to disciplinary action.

Photographs or videos taken by school employees may be placed on our website, Facebook page, and/or Twitter feed.

### ***PROMOTION/RETENTION***

Pupils will be promoted to the next successive grade level when they demonstrate grade level proficiencies as determined by standardized tests, teacher-made tests and quizzes, and teacher observations as indicated on grades listed on report cards, AND when they attend school more than 162 days.

Mrs. Bammer, with input from appropriate faculty and staff, will make the final recommendation to the Superintendent regarding the promotion or retention of pupils.

### ***PUPIL SUPERVISION AND AFTERSCHOOL DISMISSAL GUIDELINES***

We recognize that dangers exist for younger pupils after dismissal, as children are susceptible to risks once they leave school property. Accordingly, the parent/legal guardian of any student in any grade where the student is either not eligible for or elects not to use District-provided transportation may request, in writing to the principal, that the school not release the pupil to walk home after dismissal unless the pupil is released to the parent/legal guardian or an escort previously designated by the student's parent/guardian.

Requests to release the student to walk home on individual days must be made in writing and are subject to the approval of the principal. You may rescind your request that the student not be released to walk home by indicating, in writing, the date on which you no longer request the school

to provide supervision of your child(ren) after school is dismissed. The pupil(s) will then be dismissed in accordance with typical dismissal protocol.

**Please note that parents/guardians who consistently call the Main Office to change their child's dismissal procedures may be informed that their request cannot be accommodated. The Main Office is a busy place; calling in changes to a child's normal dismissal routine may not be accommodated after 3 p.m.**

Students must be picked up within 15 minutes after the dismissal time of school. During the after-school supervision time, the student will be supervised by school staff in a designated area of the building and will only be released to you or your designated escort. In the event that you/your designated escort does not arrive to pick up the student within the designated time period, the principal or her designee will attempt to contact you or another designated emergency contact using the District's emergency call procedures. If you cannot be reached, the principal may report the situation to the Lincoln Park Police Department. The child will be placed in the After Care Program at the parents' expense (\$20.00/day).

In case of an emergency such that you or your designated escort are prevented from arriving to pick up your child at dismissal within the designated time period, your child will be relocated to the Main Office or the District's after school childcare program in the school building and will remain there until you or your designated escort arrives. In the event that you/your designated escort do/does not arrive by 4:05 p.m., the principal may reassign the student to the after school childcare program or report the situation to the Lincoln Park Police Department.

While on school property, even when dismissed to a parent/legal guardian/approved pick-up designee, please note that:

- No roughhousing should take place.
- There will be no reentry allowed through the back walker door. If a student forgets something, s/he must come to the main entrance and ring the intercom.
- No bike riding is allowed on the macadam or in the parking lot until after 4 p.m.
- No throwing of anything (including snow) or climbing on walls, or, in the winter, piles of snow.

## ***SCHOOL LUNCH INFORMATION***

The Lincoln Park School District contracts with Pomptonian Food Service. To contact the Cafeteria Manager, Ms. Loganchuk, please call 973-872-0673. To contact the Food Service Director for our district, Mr. DelBene, please call 973-616-6044.

**Please send your child to school each day with a healthy snack. School lunches will not be served on early dismissal days.**

If a student does not have a lunch on a normal school day, s/he will be permitted to “charge” to purchase a lunch. No student will go without a lunch. Please note that if a child “charges” his/her lunch, payment is expected to be made the next school day. Parent contact will be made by letter, phone call, or email for children whose accounts are in arrears. The “charging” of snack is not allowed.

### **Hot Lunches:**

The Lincoln Park School District serves well-balanced hot lunches every day at minimum cost. The monthly lunch menu can be found via a link on our website. Parents have three lunch pre-payment options: sending in cash (in a clearly marked envelope), sending in a check made out to the Lincoln Park Board of Education, or paying by credit card by logging on to [www.payforit.net](http://www.payforit.net).

If a child owes money to the cafeteria at the end of the year, his/her parents’ Genesis account may be disabled until the balance is paid in full. If you are not able to afford lunch for your child, please see the application for Free and Reduced Lunch online or contact Mrs. Cifelli.

### **“Brown Bag” Lunches:**

Students who bring their own lunches may purchase milk and other items in school and are reminded to pack utensils. Our school does not have the capacity to allow students to warm up their food. **Parents are not permitted to deliver “fast” or other food to children during lunch, i.e. Burger King, McDonald’s, etc.**

### **Gum, Candy, and Sugary Drinks:**

Gum chewing is prohibited in school. This rule is in effect during class time, lunch and recess time, and while students are on the bus. Students who chew gum may be subject to disciplinary action by their teacher or Mrs. Bammer.

Please do not send children to school with candy, soda, sugary beverages, or “energy drinks,” as these are not healthy choices for snack or lunch.

## ***SCHOOL SECURITY***

As prescribed by the laws of New Jersey, two emergency drills are conducted each month. One will be a fire drill and the other will be a security drill. Silence is maintained during each drill until all students have returned to their classrooms and the drill has concluded.

In conjunction with local, county, and state agencies, the Lincoln Park School District has developed response plans to ensure the safety and well-being of our students and staff members. The response plans are based on the understanding that our first goal is to move the students to a place of safety. In light of uncertainties surrounding emergencies, decisions may be made at the

time in response to the specific nature and location of the emergency. Responses may also be affected by information and direction received from local, county, and state agencies.

All emergency messages will be sent to parents via our automated phone system. Emergency automated phone messages will begin with the phrase, “This is an important message from the Lincoln Park School District.”

### **Security Bins:**

In an effort to increase the security of our school building, bins will be placed outside the school for parents to drop items off for their child/ren. Please use the intercom to notify the Main Office that you placed an item in the bin. **Be sure to CLEARLY label the item with your child’s FULL first and last name and classroom teacher’s name before dropping it off!** Staff will retrieve the item in a timely manner and give it to your child.

**If dropping off a birthday treat, please remember to refer to the “Parties” portion of this handbook regarding what is and is not allowed (i.e. no cupcake cakes, goody bags, etc.).**

If you have requested work for a sick child, we will also have a “pick up” bin.

Please note that our school is a secure facility that does not have public restrooms. Those who ask to use the restrooms while school is in session will be denied entry.

### ***STUDENT DRESS CODE***

School attire should be neat, clean, appropriate, and in good taste. Parent/guardian supervision and guidance is especially important in this matter. A positive self-image is fostered through appropriate dress. Students are expected to dress in a modest manner that is appropriate for school and in accordance with standards of good taste. Dress cannot be disruptive to the school environment. It is anticipated that parent/guardian discretion will be appropriately applied in assisting students with choosing clothes for school. Clothing that may be appropriate for younger students may not be appropriate for older ones. The following is considered inappropriate for school, and discipline remains at the discretion of the administration:

- Clothing, pins, stickers, banners, or jewelry with inappropriate or suggestive language. This includes any attire condoning/advertising alcohol and tobacco products, or which is offensive to ordinary taste, obscene or immoral, gun or weapon-related, gang related, may have multiple interpretations, or promotes a counter culture inconsistent with a public school.
- Half-shirts or low cut shirts, see-through blouses, any type of shirt or blouse where any part of a midriff is showing, tank tops (must be at least one inch across the shoulder), tube tops, and any other blouse/shirt deemed inappropriate by the administration.
- Jewelry or chains that are determined by school officials to be noisy, distracting, or potentially dangerous (this includes choker chains and watch and wallet chains and any items with spikes) or clothing displaying similar accessories.
- Shorts, pants, and skirts worn lower than the hip line.
- Any clothing that exposes undergarments or anatomy.
- Spandex clothing and tights; tights must be covered by skirts or shorts of appropriate length (appropriate length means longer than the longest finger when arms are held at the child’s side).

- Hats, handkerchiefs, bandanas, and other headwear. Exceptions are based on medical or religious reasons.
- Unlaced or untied sneakers or shoes, heels that are higher than 3 inches, cleated footwear, and/or any footwear that the student struggles to walk in.
- Pajamas and lounge wear (except for designated “pajama days”).
- Excessively baggy clothing.
- Outerwear in the classrooms.
- Bare feet.
- Flip flops, while not banned, are strongly discouraged.

Student dress will be monitored at all grade levels. Students found to be dressed in an unacceptable manner will be provided with the opportunity to call home and have other clothing brought to school or to wear alternative clothing provided by Mrs. Cifelli.

### ***STUDENT OF THE MONTH***

Each month two students from each grade are recognized by the teachers as Students of the Month. At the start of each month a positive character trait will be described, and the students selected for recognition are those who embody the trait on a consistent basis. Students’ pictures will be displayed outside the Main Office for the month and their names will be added to the “Student Achievements” section of our website.

### ***STUDENT SUPPORT SERVICES***

#### **English Language Learners (ELL):**

Students whose primary language is not English will be screened and, if qualified, provided with an English as a Second Language class.

#### **Gifted Education:**

The Lincoln Park School District recognizes that learners have different needs, and the District is committed to meeting the needs of its diverse learners. Gifted students possess superior abilities and/or potential, and they need educational opportunities to extend their learning. The guiding principle of our gifted program is to provide a variety of program options, which are compatible with the learning characteristics of gifted learners, the unique needs of the identified students, and the resources of the District.

LPES students who meet the criteria are provided with a pull-out program twice per week during a six-week period. During these periods, the students are given the tools and background to pursue independent projects, which are monitored by the Gifted and Talented facilitator and classroom teacher.

#### **Intervention and Referral Services (I & RS):**

This team of professionals functions under the direction of Mrs. Bammer and is designed to assist students who are experiencing academic and/or social/emotional difficulties. Parents/guardians may make referrals to the I & RS Committee and/or will be notified when their child is referred for assistance.

#### **Section 504 Committee:**

Section 504 of the Rehabilitation Act prohibits discrimination against persons with a disability in

any program receiving federal funds. The Act defines a person with a disability as anyone who:

- has a mental or physical impairment which substantially limits one or more major life activities such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working;
- has a record of such an impairment; and
- is regarded as having such an impairment.

The purpose of the 504 Committee is to guarantee that an identified child is receiving an education comparable to that provided for a non-disabled student. The Committee will formulate reasonable accommodations outlined in an accommodation plan and will review this plan as needed. The 504 Committee consists of Mrs. Bammer, a member of the Child Study Team and/or school counselor, the school nurse, a parent, and teachers.

### **Special Education:**

In accordance with State law, the Lincoln Park School District stands ready to provide advice, assistance, and information to parents of students from age three to twenty-one. Parents who suspect that their child may have an educational disability should contact their child's teacher to discuss their concerns. Parents may also contact the Child Study Team directly at any time at 973-696-9150.

The Lincoln Park School District provides a program of supports and services to those students eligible for special education and related services. The District employs special education teachers, an occupational therapist, a physical therapist, speech and language specialists, paraprofessionals, and child study team members including a school psychologist, a school social worker, and a learning disabilities teacher-consultant. In addition, the District contracts with various therapists to assist District faculty and staff.

CST members are responsible for the identification, evaluation, and determination of eligibility for students referred for special education and related services. These professionals work closely with the teachers and administration to provide additional support to ensure that each student has a safe, positive, and affirming learning experience. If you feel that your child is in need of this support, please contact your child's teacher or Mrs. Billig, Director of Special Services.

### ***TRANSPORTATION***

State law requires that Boards of Education provide transportation for students who reside more than two miles from school. To accomplish this task in the most economical manner, each bus is scheduled for maximum capacity; **therefore, transfers from one bus to another are not permitted. Likewise, transfers from one bus stop to another are not permitted.**

### **School bus safety and student responsibility:**

Safety on the school bus is not solely the responsibility of the school administration and bus driver. Safety is a matter of teamwork and requires the constant support and attention of the children and the parents, as well as the LPES staff.

Bus transportation is a privilege for those transported to and from school. Parents are legally responsible for actions or damages caused by their children.

Students will be returned to Lincoln Park Elementary School if someone who is approved to pick them up is not present at the bus stop to meet them. While the Lincoln Park School District prefers that a person over the age of 18 assume responsibility for a student at the bus stop, should a parent request, in writing, that a sibling who attends Lincoln Park Middle School or a high school be the pick-up designee, Mrs. Bammer will consider the request. If a student is returned to school more than one time, the student will be placed in After Care at the parent's expense (\$20.00/day).

**Parent responsibility:**

Parents should familiarize themselves with our transportation guidelines. Additionally, the importance of observing these guidelines should be stressed to your child(ren), not only for his/her safety but also for the safety of the other students on the bus.

Please help the driver maintain his/her schedule by making sure students are ready and at their bus stops on time. Do not ask the driver to stop at places other than the regular bus stop. S/he is not permitted to do so, except by authorization from Mrs. Bammer. Be sure you thoroughly understand and obey all traffic laws, rules, and guidelines pertaining to school buses. Assume responsibility in training your child to cooperate with school staff. Insist on habits of punctuality and correct behavior in waiting for and riding the school bus. Accompany your child(ren) to the bus stop each morning and meet the bus in the afternoon.

**Prior to getting on the school bus:**

1. Be on time at your designated bus stop. The bus must keep to schedules to ensure the safety of other students. Students should be at the bus stop 10 minutes prior to their scheduled time.
2. Students should never stand or play in the road while waiting for the bus. They should exhibit good behavior while waiting for the bus and stay off neighboring properties.
3. Students should remain in line at least five (5) feet from the bus when it stops to pick them up and should not move toward the bus until the door is opened.
4. Students must wait until the bus completely stops moving before boarding, must enter the bus without crowding or disturbing others, and must occupy their seats immediately.

**Student belongings:**

Items being carried on the school bus should be contained in a backpack. Items should not be larger than the child. It creates an unsafe condition for students to carry cumbersome items when entering and exiting the bus. Backpacks with wheels are **not** allowed.

**While on the bus:**

1. Students must obey and respect the bus driver. The driver is in full charge of the bus and students and has the authority of a classroom teacher.
2. Go immediately to your seat and buckle your seatbelt. Students are to remain seated until the bus reaches the school and stops completely.
3. Students should keep their hands, feet, and objects to themselves.
4. While the bus is in motion, students must remain seated.
5. Keep backpacks and all other objects out of the aisle.
6. Loud talking, high-pitched laughter, or undue commotion tends to divert the driver's attention.
7. Students may not call out to passersby. Students must keep arms and/or other parts of their body inside the bus at all times after entering and until leaving the bus.
8. Never throw articles from the bus windows.
9. Eating and drinking is not permitted on the bus.

10. Assist in keeping the bus safe and sanitary at all times. The bus (and its equipment) serves a purpose; tampering with any part may result in serious injury to yourself or others.

**11. Cell phone use/the taking of pictures and/or videos is not permitted at any time.**

Students who disregard these guidelines will receive a discipline report issued by the driver. Continued disregard of guidelines and rules will lead to disciplinary action such as warnings, parent contact, lunch detentions, after school detentions, and, quite possibly, suspension from riding the bus. Should a student's bus privileges be suspended, his/her parents will have to find other means of transportation to and from school.

**After leaving the bus:**

1. No student shall be allowed to enter/leave the bus at any place, other than his/her regularly assigned bus stop, without written consent from Mrs. Bammer.
2. If a roadway must be crossed, do so only with the person who has assumed responsibility for you.
3. Help look after the safety and comfort of younger students.
4. Walk quickly, do not loiter. Go directly home after exiting the bus.

***VISITORS***

All visitors must report to the Main Office upon entering the building and are required to sign in and obtain a visitor's badge. The visitor's badge must be displayed while in the building. Visitors will be asked to present a valid I.D.

Former students who would like to visit can do so only after getting permission from the teacher they would like to visit. Visitations cannot occur until after 3:40 p.m.

***While we encourage and promote kindness, please do not hold the door for anyone who wishes to enter the school, even if you know the person. For the safety and security of all children and staff, we request that anyone who wishes to enter the building be buzzed in by the Main Office staff. Thank you for your assistance!***
